SHORTHORN BREEDERS' ASS'N

Shorthorn Show and Sale

Horse and Mule Barn, SIOUX CITY, IOWA
MONDAY-TUESDAY
March 17-18, 1941

Sale Includes 78 Choice Shorthorns

Announcement

The Interstate Shorthorn Breeder's Association extends an invitation to every Shorthorn enthusiast to attend this, their 28th annual show and sale.

It seems unnecessary to write a lengthy statement concerning the quality of this offering. All animals have been inspected by a committee and only cattle of the approved type have been accepted. To anyone acquainted with the personnel of the Shorthorn business in this territory the list of consignors in itself should be a guarantee of quality in the cattle. We are also publishing some photos to try and give you an idea of the type of cattle you may expect to see. However, distance and icy roads prevented us from taking as many subjects as we would have liked, so we present these photos merely as typical and not necessarily as the best of the offering.

Be at Sioux City March 17th and 18th and we promise to show you by far the best offering this association has ever presented.

GENERAL INFORMATION

The show will be held Monday March 17th commencing at 1:30 P. M.

Following is the show classification, made possible through the co-operation of the Sioux City Chamber of Commerce and Kiwanis Clubs, and the Interstate Shorthorn Breeder's Association.

Browndale Type Jr. 1981729—Is very much the likeness of his sire Browndale Type that topped this sale in 1934. His half brother topped the sale last year and his full brother Browndale Matador that heads the Chas. Ewald herd at Waldorf, Minnesota, was the highest selling bull ever produced in this herd. In spite of the fact that this bull has been used heavily in the herd in recent months he shows remarkable fleshing qualities, is smooth, thick and exceptionally deep bodied.
